“ Nancy's husband and mine were college friends from Brown. It was a true honor to know such a beautiful soul as Nancy. She was one of the kindest and most genuine people out there. I was always amazed at how she parented and home schooled four boys with the utmost grace. On top of that, Mass was a part of their daily schedule! Nancy was one of a kind. I can't begin to imagine the huge void that will be left in the hearts of her family and friends. She touched people in a way that few people do. Sending love and prayers to Ron and the boys, Laurie Laychak
