“ We are deeply saddened to hear of Nancy's passing after a long illness. Nancy and family moved to our neighborhood when Megan was a little girl and they were our neighbor's for many years. We watched Megan and her Dad play baseball & catch many afternoons. Megan grew from an adorable little girl into a lovely young lady as her Mom And Dad watched with pride. Now Megan is married and a mom and we are happy to know Nancy was able to enjoy precious time with her new grand baby. We hope our prayers and happy memories will help comfort Megan, Bruce and family. God Bless!
