Nancy Anne (Krueger) Stodgell, 78, of Apex, NC, died peacefully at Transitions Lifecare Hospice after a long illness with her loving daughter by her side on July 4, 2025.

She always had an amazing work ethic but also enjoyed socializing and developed many lasting friendships with her coworkers and customers.

Nancy's fondest memories included summers at Sacandaga Lake with her family and the time she spent with her granddaughter at Bond Park. Nancy will be remembered for her kind heart, devotion to her children and grandchild, and her sense of humor even in the toughest of times.

The family would like to extend a special thank you to the staff at Fresenius Dialysis Center of Cary, WakeMed Cary Hospital, and Transitions Hospice Care for their care and compassion during her illness.

Services will be private at the convenience of the family. In lieu of flowers, Nancy's family asks that remembrances be made to Transitions Hospice Care
