“ I remember when we first met, it was a lay weekend retreat and as we encircled to pray as we all joined hands, I heard this woman speak out in tongues of some strange language.....then someone else interpreted. I had never heard this before but was so intrigued to speak with this woman. Later, I met her, sweet, vivacious, intellegent, loving, down to earth. Her name was June. My life would never be the same after this moment. There were so many years we had as friends after this. I met her beautiful family.....Debbie, Donna, Doug, Bob.....many unbelievable memories! So many wonderful times and memories!! I love this family! I will always be changed by them! Thank you June for coming into my life and sharing!!

Love eternally,
