“ Ron was my grandfather and he passed without being a part of my siblings life. I'm sure my grandmother & my dad will do the same. Shame to hear about it though I suppose.

“ The Klemick Family,
Ron was my classmate at The Prep[1959] in Philadelphia. He excelled in sports, especially in football where he was one of the best high school quarterbacks in The Philadelphia Area. Ron was an outstanding student and even studied Greek at The Prep. Notwithstanding his talents and skills.Preppers admired Him for his humility. "May Ron Klemick Rest In Eternal Peace"

Ron was an excellent student, leader and friend. He excelled in all that he attempted. His father and mine worked at the same company, so Ron and I arrived at the Prep having already met. I was also the recipient of many of his passes on the football team. I now wish we had stayed in touch.Rest in peace, Ron. See you on the other side.
