Was very sad to learn Eric had passed, but comforted knowing his faith was strong. I have so many good memories of us working and playing basketball together. I know how much he loved his family and friends and I'm sure he'll continue to do God's work watching over us. Stumbled across this picture from when we were at GTE Govt Systems.

“ *We have many fond memories of Eric. Our son Mark enjoyed happy times with Eric. Their teenage years were quite adventurous. May you find peace and comfort with your memories of Eric and his life well lived.*

“ We are so glad we got to see Eric last year and hear his testimony of God's faithfulness in his battles. He has finished his race here, and what an inspiration he has been to so many. Heather, Christian, Noelle, Cade and family, you are in our prayers and thoughts. Eric will certainly be missed, but never forgotten.
