Steve worked at Super Valu as a project manager for over 17 years and later in life was able to turn his true passion into a successful second career as a landscape designer. There wasn't a garden he couldn't tackle and turn into a thing of beauty. Roses were his specialty. He enjoyed the simple things in life such as gardening, biking, camping, hiking, being with his family and grandchildren. He enjoyed sharing his passion for Astronomy with his grandson Brian and was known by his younger grandchildren as "Bumpa". He will truly be missed by all.

The family requests donations be made in his name to Leukemia Lymphoma Society, www.lls.org. A memorial to be arranged at a later date.
