“ Tom, Karen and April - I'm ever so sorry to hear this and my thoughts are with you. We were great friends separated by the Atlantic Ocean in the 90s (if you remember me, staying with my aunty and cousins across the road), I remember our time together so fondly and I always looked forward to my Cary visits to be reunited for the holiday seasons.

“ Karen & Tom,

Remember seeing Tristin at your parents when he was a young man about age 16. Such a handsome, sweet, and polite boy. That always stuck in my mind. Without him, I am feeling yet another void in our family left here on earth. My faith though tells me that our heavenly family has welcomed him home, especially his grandfather. Love and prayer to you both, April and family, Emma Lee and Steve and family.

“ We are so sad to hear about Tristin's passing. We loved you, Tristin - you always greeted us with a big smile and we loved to chat with you. You and our son Daniel are gone too soon. I remember the two of you together at middle school graduation - you were both so happy. I imagine your old friend guiding you in Heaven.

We know you tried your best and that is all we can do in this life. Our hearts go out in thoughts and prayer to Tom, Karen and April, together with Nicholas and Joshua. Tristin will always be with you, never forget that. Rest in peace, our friend.

“ Dale and I are truly sorry for your loss. We remember Tristan as a fun loving energetic kid who wore his underwear backwards, so he could see the superhero. He loved playing in your backyard and trying to keep up with April and our son, Peter. Tristan loved all of your pets and helped with the responsibility of them. May you both find peace in knowing Tristan is with God.
