“ So sorry to hear of Wayne's passing. I had heard that he was ill through the veteran's network. I will always remember his quick wit and engaging personality. He was a true advocate for veterans and so great to have on the National Cemetery Team.

“ We lost a very special person. His dedication to the years in the DC government followed by a commitment to excellence in the private sector as someone who was a guru with the VA's Federal Supply Schedule, will be missed greatly. RIP Wayne, prayers to immediate family and those close to him. Peter L.
