“ *Joe and I are so sorry to hear about Sonny's passing, we loved him dearly. The last time I spoke with Sonny I asked him how he was doing and he said he was doing good but he sure missed his dad. I know that Sonny had a wonderful homecoming in heaven with Jesus and with his dad! We're so sad for Carol and Karen and family for their loss. We're also sad for the rest of us, his church family because we are going to miss seeing him at church. Truly our lives were made that much more richer because of Sonny, he was a blessing!*

“ I wished I could count every basketball, football or softball game we either played together or against. We could talk for hours about any sports even though we had different teams. I will miss him and didn't tell him near enough how much ed I enjoyed being around him. Love you my brother from another mother. RIP you deserve it.

Sonny was always such a wonderful man to see at church. He would make my day special with his smile and kind words of encouragement. We will miss him so much.

“ Sweet Sonny. He always had a smile and loved to laugh. He would always ask how family members we're when we saw each other. He love playing basketball at the park. Rest In Peace my friend.
